

## **Application form for the RoHS certification program**

### **Important:**

WHEREAS, SGS is engaged in the testing and inspection of products for commercial and professional markets for compliance with known standards and CLIENT desires to avail itself of the services of SGS as hereinafter provided. NOW THEREFORE, CLIENT agrees as follows:

### **Hinder and resist**

SGS must assign inspectors to all affiliate factories to implement “factory assessment” and “random sampling”. The Applicant has responsibility to co-operate factory assessment and “random sampling. The applicant can not have any excuse to evade the former responsibility.

### **Cost**

SGS performs factory assessment and sampling at the end of the product line. During the whole process where the product or the factory assessment fails to meet the RoHS program certification, the certificate will be suspended when the applicant has a certificate and the client commits to withdraw all products and packaging bearing the SGS RoHS certification at his cost.

### **Usage of Guideline**

client must follow SGS mark terms and conditions and SGS product certification usage guidelines which are provide by SGS when the client uses the ROHS certificate and RoHS Mark.

### **General terms and conditions**

Client can assess the **General terms and conditions** on our website [www.sgs.com](http://www.sgs.com) and must follow it when client engages SGS for the testing and inspection of products for commercial and professional markets.

Date of Application: \_\_\_\_\_ Application No.:

## 1. Applicant

Name of Company/Business:

Address:

Uniform No. :

Person in charge:\_\_\_\_\_E-mail address:

Contact person:\_\_\_\_\_Telephone No.:

Fax No.:\_\_\_\_\_Signature:

## 2. Information of product

Type of the product:

Model Name of the Product:

Batch No.:

Series type:

## 3. Types of application

3.1 Mode of the certification:

- Mode 1, single product certification
- Mode 2, series product certification
- Mode 3 addition of series of existing Original Certificate No.
