SGS CARB ATCM CERTIFICATION ONLINE CHECKING SYSTEM GOES LIVE

Since November 2008, SGS has offered CARB ATCM Certification Services for composite wood product manufacturers, providing services to the whole supply chain, including fabricators, distributors, importers and retailers. For the increased convenience of its clients, SGS recently launched the CARB ATCM Certification Online Checking System. The system launched by SGS has both English and Chinese versions.

CHECK EASILY DETAILS OF YOUR CERTIFICATION

To log-on to the CARB ATCM Certification Online Checking System:

1. Go to the SGS website: [English](#) or [Chinese](#)
2. Fulfil the fields 'Certification ID' or Company Name and select your country
3. Enter Security Code, click Search

The following related content will be revealed at the lower part of the web page:

- Company name
- City
- Country
- Certified products
- Certification status

More information about SGS's CARB Testing Services is available at
