WEB SEMINAR - TOY

July 2009

DON'T MISS THE SGS FREE WEBINAR ABOUT THE NEW EU TOY DIRECTIVE AND SAFETY/RISK ASSESSMENT ON 1st SEPTEMBER 2009

ALL YOU NEED TO KNOW TO BE READY FOR COMPLIANCE WITH NEW REQUIREMENTS

A new European Toy Safety Directive 2009/48/EC has been published on the 30th of June in the Official Journal of the EU, replacing the 20 year old 88/378/EEC Toy Directive.

It aims to:

- Implement new and higher safety requirements to cope with recently identified hazards
- Strengthen toy manufacturers' and importers' responsibility
- Enhance market surveillance obligations of Member States

Did you know the new directive requires **safety assessments/risk assessments on all toys?** The purpose of this web seminar is to help you to understand how your company is affected and how to comply with these new requirements.

Our experts will give an overview of:

- Timeline implementation, major changes and new requirements of the Toy Directive
- Safety assessment /Risk assessment (Case studies)
- How SGS can help?

You already have questions in mind?

You can send them before the web event at consumer.products@sgs.com. Questions will be handled in real time at the end of the presentation. Alternatively, the answers will be provided to the participants after the event. Deadline for questions: 26th August 2009

Attend this free Toy webinar and have your answers right away!
