ISO 45001

How can you protect your workforce?
Enhance occupational health & safety

Certification to ISO 45001 can be a useful tool to demonstrate that you meet its criteria. If you are already certified to OHSAS 18001 you will already have most of the necessary tools and systems in place to implement ISO 45001.

Have you reviewed the changes/additions of ISO 45001 requirements?

- **Yes**
  - Have you developed an implementation plan to cover the identified gaps?
    - **Yes**
