- appreciate the timeline for moving to certification to the 2015 standard

## **BACKGROUND**

The latest stage in the ISO 9001 arrived with the issue of ISO 9001:2015

The main areas of changes in ISO 9001:2015 are:

- structure and terminology, including incorporation of Annex SL framework;
- the wider internal and external context of an organisation's Quality Management Systems (QMS) (Clauses 4 and 6);
- detailed Quality Management System (QMS) requirements' (broadly clauses 5 and 7 – 10).

SGS is in an ideal position to support you through the transition process by giving you information on ISO 9001:2015 version.

## **ADDITIONAL INFORMATION**

This course does not meet the transition requirements for auditor certification.
