

COVID-19

TRAINING MODULE

SGS ACADEMY

DESCRIPTION

The objective of this module is to provide learners with the knowledge and skills of COVID-19. Most information has been taken from the World Health Organisation Guidelines (01/06/2020). Guidelines may differ / change on a country basis, therefore it is always advisable to confirm local restrictions on a regular basis. Any country guidelines issued will supersede any information that may be contained within this module.

FACE TO FACE: 1-1/2 hours

VILT: 1-1/2 hours

LEARNING OBJECTIVES

By the end of this module, learners will be able to understand:

- COVID-19 symptoms
- Personal protective equipment (PPE)
- Hand hygiene and personal hygiene practices
- Effective cleaning practices
- Illness reporting / track and trace / testing
- Social distancing and staff management

MODULE CERTIFICATION

This module contains a true-false activity which assesses the knowledge you've learnt during this training module.
