

FSPCA FOREIGN SUPPLIER VERIFICATION PROGRAM (FSVP) QUALIFIED INDIVIDUAL

TRAINING COURSE

SGS ACADEMY

COURSE DESCRIPTION

This course will provide participants with the knowledge to implement the requirements of the “Foreign Supplier Verification Programs (FSVP) for Importers of Food for Humans and Animals” regulation of the U.S. Food and Drug Administration (FDA).

This regulation is one of a number of regulations and guidance that implement the provisions of the 2011 Food Safety Modernization Act (FSMA), which focuses on safe food practices. The knowledge gained through this course can help participants become “Qualified Individual”s under FSVP.

FACE TO FACE: 2 days

VILT: 16 hours

LEARNING OBJECTIVES

Upon completion of this course, learners will be able to:

- Understand the FSVP requirements and those that can be met

PRIOR KNOWLEDGE

Not required for the purpose of this course.

AUDIENCE

This course is designed for:

- U.S. based importers who meet the definition of “importer” in the FSVP rule, which includes those who own or are the consignee of food at the time of entry, or, if no owner or consignee exists, the U.S. agent or representative of the foreign owner.
- Others who have an interest in ensuring that the requirements of the FSVP rule are met, including brokers, exporters, foreign suppliers of food that will be exported to the U.S., persons/business owners who currently buy food from foreign sources, and representatives of foreign governments.
