

SGS SEED AND CROP UPDATES

FIELD TRIAL IN PHILIPPINES

SGS Philippines can now perform field trial for Plant Protection Products and fertilizer.

GLOBAL GAP IN PAKISTAN

Early this year, SGS Pakistan started Global GAP activities for fresh produce. SGS already provides Global GAP audits in more than 25 countries.

AND IN POLAND?

SGS Poland has received GLP accreditation from the Bureau for Chemical Substances. The accreditation

covers field crops, vegetables and fruits. A new field station has also been established in Znin (North-centre of Poland)

R&D PROVIDER ACCREDITATION FROM THE FRENCH MINISTRY

SGS Institut Fresenius has been successfully accredited as a research and development provider, which in turn will enable any clients to receive tax rebates on all studies that are placed (and invoiced) from within France. This accreditation is for the years 2012, 2013 and 2014.
