

Table 2. Reformulation/Warning for Lead

Entry	Scope	Reformulation/Warning for Lead
1	Brass hose nozzles (for marine, recreational vehicle (RV) and personal watercraft (PWC) industries)	≤ 100 ppb, otherwise warning
2	Brass products (including, but not limited to, anchor pin vises, depth gauges, calipers and sliding gauges, with and without plates)	< 100 ppm
3	Ceramic bowls with exterior designs	≤ 90 ppm (any decoration, colored artwork, designs and/or marking on the surface of the product), ≤ 1 µg (NIOSH 9100, any surface) and ≤ 25 ppm (any decorations located in the upper 20 mm of a product (lip and rim area)), otherwise warning
4	Ceramic tiles with exterior designs	≤ 90 ppm (any decoration, colored artwork, designs and/or marking on the surface of the product) and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
5	Glass drink flutes with exterior designs	≤ 90 ppm (any decoration, colored artwork, designs and/or marking on the surface of the product), ≤ 1.0 µg (NIOSH 9100, any surface) and ≤ 25 ppm (any decoration in the upper 20 mm of the product (lip and rim)), otherwise warning
6	Jewelry stands with exterior designs	≤ 90 ppm or ≤ 1.0 µg (NIOSH 9100), otherwise warning
7	Lotion pumps	≤ 4 µg (NIOSH 9100), otherwise warning
8	Metal and glass Christmas trees	≤ 90 ppm (any accessible component), ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
9	Metal and glass lanterns	≤ 90 ppm and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
10	Metal and glass organizers	≤ 90 ppm and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
11	Metal and glass trays	≤ 90 ppm (any accessible component), ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
12	Metal watering cans	≤ 90 ppm and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
13	Paper weights with exterior decorations	≤ 100 ppm, otherwise warning
14	Planters (plant pots)	≤ 4.0 µg (NIOSH 9100), otherwise warning
15	PVC cords	≤ 90 ppm and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
16	Trays with exterior decorations	≤ 100 ppm, otherwise warning
17	Vinyl shelf liners	≤ 200 ppm, otherwise warning
18	Wartenberg wheels	≤ 90 ppm and ≤ 1.0 µg (NIOSH 9100, any surface), otherwise warning
