# Embrace ESG excellence with SGS

## Begin shaping a sustainable tomorrow

Environmental, Social and Governance (ESG) factors are increasingly recognized as critical components of corporate strategy and responsible investment practices. Embracing ESG principles involves integrating environmental sustainability, social responsibility and robust governance frameworks into organizational decision-making processes. It requires a proactive approach to managing risks and opportunities related to climate change, resource efficiency, stakeholder engagement, diversity and inclusion and ethical business practices. By integrating ESG criteria – environmental stewardship, social responsibility and governance transparency— organizations enhance their resilience and societal impact.

### OUR COMMITMENT TO EXCELLENCE

SGS stands at the forefront of ESG evolution, shaping international standards and best practices. Our expertise spans compliance, verification and training, ensuring organizations of all sizes and sectors achieve their ESG aspirations effectively.

### DELIVERING IMPACT, DRIVING TRANSFORMATION

Through rigorous assessment and strategic guidance, we help you:

- Engage stakeholders with transparent ESG practices.
- Optimize financial performance and valuation.
- Enhance data quality for informed decision-making.
- Navigate regulatory landscapes with confidence.
- Drive efficiencies and resource conservation.
- Cultivate trust and unlock new market opportunities.

### OUR EXPERTISE AND EXPERIENCE

SGS has been offering services related to sustainability and ESG for over 30 years, across all major industries. We have an extensive global network of technical experts to address a variety of local and global needs. ESG experts from SGS actively contribute to the development of international standards, frameworks, schemes and regulations such as the United Nations Sustainable Development Goals (SDGs), the United Nations Principles for Responsible Banking (PRB) Assurance, and the EU Corporate Sustainability Reporting Directive (CSRD).
