

Marine Services

Specialty Services: Yachts & Super Yachts

SGS is the world's leading testing, inspection and certification company. We are recognized as the global benchmark for sustainability, quality and integrity. Our 98,000 employees operate a network of 2,650 offices and laboratories, working together to enable a better, safer and more interconnected world. For over 100 years, we have provided a vast array of services to regulated industries. Contact us at Marine.Services@sgs.com for more information.

In more than 330 ports worldwide, SGS offers the world's fleet of yachts and superyachts a wide range of field services, laboratory analyses, and consulting services to help you navigate the increasingly regulated seas.
