

United Arab Emirates (UAE)

PCA program

SGS Gulf Limited – Notified body for Ministry of Industry and Advanced Technology

SGS is notified by MoIAT to issue certificate of conformity for regulated products and ensure specific products meets the requirements of technical regulation and standards set by MoIAT before importing or trading in UAE. In-line with MoIAT's implementation of UAE product conformity schemes please be informed that, manufacturers, importers, distributors and traders are now requested to apply for MoIAT certification through authorized certification body.

With extensive experience in managing various product conformity programs globally; we have been associated with relevant authority in UAE over the decade and have been appointed as a Notified Body with MoIAT for ECAS & EQM certifications. In this regard MoIAT has launched an online portal for product certification (<https://sso.moiat.gov.ae/>) to initiate your applications.

Please direct your inquiries to SGS Customer Happiness Center at Dubai Airport Free Zone (DAFZ).

Why SGS?

SGS is the world's leading Testing, Inspection and Certification company. We operate a network of over 2,700 laboratories and business facilities across 119 countries, supported by a team of 99,250 dedicated professionals. With over 145 years of service excellence, we combine the precision and accuracy that define Swiss companies to help organizations achieve the highest standards of quality, safety and compliance.

Our brand promise – when you need to be sure – underscores our commitment to trust, integrity and sustainability, enabling businesses to thrive with confidence. We proudly deliver our expert services through the SGS name and trusted specialized brands, including Brightsight, Bluesign, Maine Pointe and Nutrasource. SGS is publicly traded on the SIX Swiss Exchange under the ticker symbol SGSN (ISIN CH0002497458, Reuters SGSN.S, Bloomberg SGSN:SW).

We provide competitive advantage, drive sustainability and deliver trust. At SGS, we are continually pushing ourselves to deliver innovative services and solutions that help our customers move their businesses forward.

Efficiency and cost-optimization are no longer the sole drivers in business development strategies. Successful businesses recognize the importance of offering their workforce continuous development and training. Motivated and effective teams create industry leaders.

Note: MoIAT regulated products list and SGS scope of notification will be updated frequently, please contact SGS Gulf for more details.
