

Soil and excavated soil

Assessment guideline		Certification
BRL SIKB 1000	Sampling for batch assessments	SIKB process certificate
BRL SIKB 2000	Fieldwork for environmental soil and water soil investigations	SIKB process certificate
BRL SIKB 2100	Mechanical drilling	SIKB process certificate
BRL SIKB 4000	Archeology	SIKB process certificate
BRL SIKB 6000	Environmental supervision of ground digging, soil remediation, groundwater remediation, interventions in the waterbed and aftercare	SIKB process certificate
BRL SIKB 7000	Digging in the ground, soil remediation, groundwater remediation and interventions in the waterbed	SIKB process certificate
BRL SIKB 7500	Treatment of contaminated soil and dredged material	SIKB process certificate
BRL SIKB 7700	Installation or repair of a watertight system	SIKB process certificate
BRL 9335	Excavated soil	SIKB process certificate
BRL Certified compost	Certified compost and invasive exotic species	Product certificate
