SGS expands its presence in Australia with the acquisition of IMO

SGS is proud to announce the signing of an agreement to acquire Independent Metallurgical Operations Pty Ltd and Metallurgy Pty Ltd (collectively known as IMO), two leading providers of metallurgical consulting, testing, site operations, and technical services based in Perth, Australia. IMO employs 48 FTE.

This acquisition strengthens SGS's position as a global leader in metallurgical services and expands its footprint in the Australian market, providing clients with access to a broader range of expertise across the entire mining value chain.

Geraldine Picaud, CEO of SGS, commented:

"This acquisition broadens our offer of specialist services, throughout the full mining value chain. We are happy to welcome 48 talented employees to SGS."
