SGS strengthens sustainability performance by earning EcoVadis Gold Medal

SGS, the world's leading Testing, Inspection and Certification company, has been awarded the EcoVadis Gold Medal, improving from Silver in the previous assessment.

The EcoVadis rating is widely used by organizations to assess the sustainability performance of their suppliers and business partners, making it an important benchmark for responsible business practices.

EcoVadis evaluates companies across four themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. More than 175,000 companies worldwide have been assessed through the EcoVadis platform across more than 180 countries.

The Gold Medal reflects SGS's outstanding performance under the EcoVadis sustainability assessment methodology and follows improvements in the areas of Environment and Labor & Human Rights.
