11. VERIFICATION ZONES AND RESPONSIBLE COMPANIES

SGS in all countries of supply except Singapore, Malaysia, Hong Kong, Vietnam, South Korea and Shenzhen City – China
and Guang Dong Region - China

The information contained herein is for the purpose of facilitating technical verification and does not relieve exporters or importers from their obligation in respect of compliance with the import regulations of the country of importation. Although every effort has been made to ensure the correctness of the information, as at the date of issuance of this data sheet, SGS does not accept any responsibility for errors or omissions and, furthermore, the information may subsequently be subject to change as may be announced by the Authorities in the country of importation. Consequently, exporters and importers are advised to check with SGS, prior to shipment of the goods, if there is any doubt concerning the issuance of a Clean Report of Findings or any other Certificate. For further information, or clarification, please contact the SGS TFS Administrative Office in the country of verification of the goods.
