1. PRODUCTS CONFORMITY ASSESMENT

PROGRAM NAME	Programme d'Evaluation de la Conformité Avant Embarquement des marchandises importées en République du Cameroun (PECAE)
PROGRAM MANDATED BY	L'Agence des Normes et de la Qualité (ANOR)
IMPLEMENTATION DATE	31st August 2016 (date of shipment)
PROGRAM OBJECTIVE	- To ensure the quality of products as well as the health, safety and environmental protection of Cameroonian consumers. - Protect the public against substandard products that can endanger public health, safety and the environment - Protect local manufacturers against unfair competition from imported products which do not comply to local Standards
SERVICE PROVIDERS	SGS and other company
SCOPE OF THE PROGRAM	To assess that all regulated imported products do comply with approved National, Regional, International Standards or technical regulations.
VERIFICATION PROCESS	Process might be initiated by Exporter at the country of supply or by Importer in Cameroon If the process is initiated by Importer with the "Déclaration d'Importation", SGS Liaison Office in Cameroon will transmit all the submitted documents by Importer, to the corresponding SGS affiliate at the country of supply for them to contact and coordinate the intervention with exporter and request for missing documents. If the process is initiated by Exporter; he will submit to SGS the following documents: - Request for Certification - PROFORMA Invoice - Quality Management System Certification - Conformity Documents (test reports, quality certificates, analysis reports, etc...) - Final invoice (required to issue CoC) To obtain evidence that all requirements are met in the applicable standards or technical regulations, goods must undergo one or a combination of the following verification process:

	- Physical inspection - Laboratory - Factory audit - Documentary verification After verification process is completed and results are satisfactory, exporter will have to submit the <u>Final Invoice</u> for the issuance of the “Attestation de Conformité (AC)”, which will be converted into a “Certificate of Conformity (CoC)” by ANOR For “Air shipments” (AC) is to be issued in basis of <u>Proforma Invoice</u>
ASSESSMENT METHODE	Three methods are proposed to the exporters to demonstrate the compliance of their products and obtain a Certificate of Conformity (CoC) ROUTE A: applicable to any goods and any trader ROUTE B: Recommended for frequent exporter with homogeneous products ROUTE C: For Certified products
APPROVED LABORATORIES	Approved laboratories under this program are as follows: - SGS laboratories. - Third party ISO/IEC 17025 accredited laboratory operating as per the ILAC guidelines - Supplier laboratory provided that the test results are detailed as per the corresponding standard, that the laboratory holds a recognized quality certification system (such as ISO 9001..etc) and that the list of the equipment (model, serial number...etc) with the corresponding calibration records and are supplied to demonstrate laboratory capabilities for testing
ATTESTATION DE CONFORMITÉ (AC) & CERTIFICATE OF CONFORMITY (CoC)	- An “Attestation de Conformité (AC)” issued by SGS to demonstrate compliance of the shipment to the relevant approved standards. This document is to be delivered to Exporter - A “Certificate of Conformity (CoC)” issued by ANOR in basis of the “Attestation de Conformité (AC)” to be delivered to Importer and required for Customs clearance - Goods arriving to Cameroon without the corresponding AC/CoC will be subject to a penalty of 5% of the turnover or 100% of the net estimated profit .
NON CONFORMITY REPORT (NCR)	If the reports from the verification activities such as testing or inspection show discrepancies versus the standard requirements, exporters will be informed accordingly and given sufficient time to make the necessary corrections; if those are not or cannot be made a “Non Conformity Report” (NCR) will be issued. This implies that that goods are not allowed to be shipped to Cameroon
FEES	Fees are payable in advance by the exporter. Fees are net of any tax and are payable upon reception of the Request of Certification (RFC). Fees are due regardless of whether after assessment of the goods of the exporter or importer does not provide the information or document necessary for the final issuance of the CoC, or for any other reasons does proceed to the shipment of the goods NB: Fees structure detailed in section 3.
